Modular Home Floor Plan

1,332 Square Feet

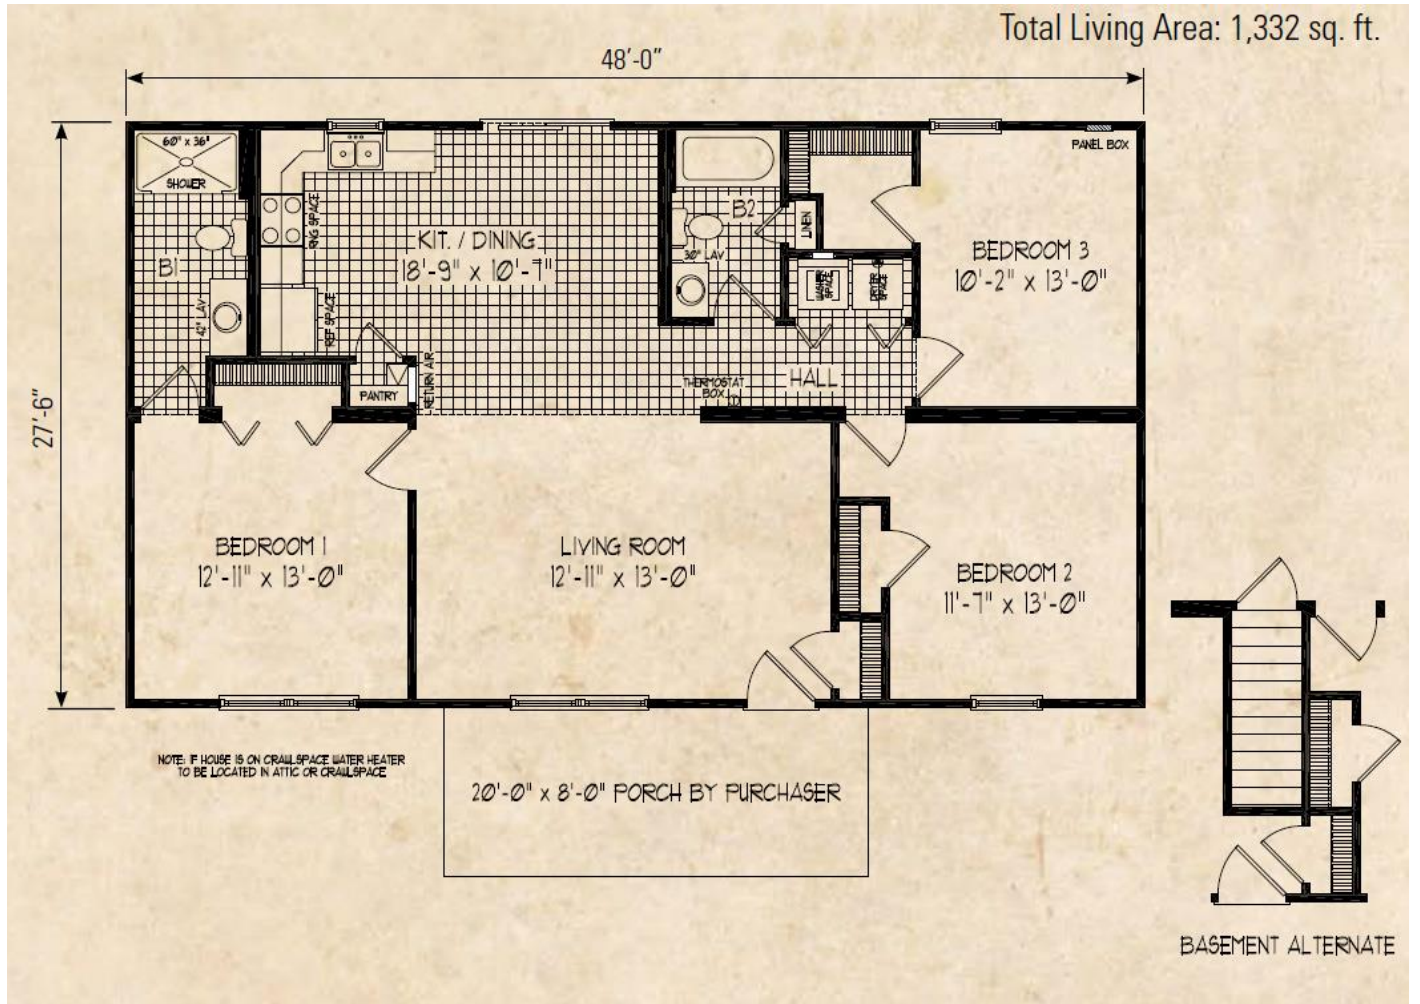

3 Bedrooms

2 Bath

Building Footprint: 27-6 x 48-0

The Liberty is a ranch style home that features a large living room which is open to the Dining room and kitchen which opens to the mudroom/laundry area and the side entrance to the home. The master bedroom with en-suite bath is separate from the other two bedrooms for added privacy. The laundry closet is located by the two secondary bedrooms for added convenience. This home plan includes an alternate layout which adds basement stairs. The elevation depicts a large front porch which is to be built on-site by your builder. You can opt to have the porch roof included with the modular home package.
